

Thanks for giving!

Dear Friend of Dinners for Kids,

We are excited to announce our 7th Annual Dinner event taking place this year on **Tuesday, November 19, 2024, at the JCC in Kingston.** We are honored to have WBRE Anchor Kelly Byrne as our guest speaker, along with David Pedri of the Luzerne Foundation serving as our Master of Ceremonies. The inaugural Jim Haggerty Service Award will be presented to Judd and Susan Shoal in recognition of their unwavering dedication and deep compassion in our community's fight against childhood hunger.

During this Thanksgiving Season we want to personally say **Thanks for Giving!** to all our generous donors. This event doesn't serve as just a celebration of success, but a vital opportunity to support the Dinners for Kids program in its mission to combat childhood hunger in our community. Our goal is to provide hungry children with daily prepared, nutritious and balanced dinners, accompanied by fresh fruit.

Since its inception, Dinners for Kids has been steadfast in its commitment to making a lasting impact. We proudly serve over **240 underprivileged children** in the Wilkes-Barre, West Side, and Dallas areas, **delivering a remarkable 75,000 meals annually.** Our volunteer-based approach **ensures that every dollar you contribute directly supports the preparation of these essential meals,** with no funds allocated to paid staff or facilities. This means your support goes exactly where it's needed most.

We invite you to review the attached sponsorship packages, which provide an excellent opportunity to support our **Thanks for Giving!** event and our overall mission.

The cost to attend our **Thanks for Giving!** dinner event is \$100 per person. To pre-purchase tickets, please email dotevet@epix.net. If you have any questions or need additional information about the event, please feel free to reach out to me directly.

Thank you for your continued support and dedication to ending childhood hunger in our community.

With Gratitude,

David Tevet
