

A Crystal Harvest

15th Anniversary Celebration

November 18, 2026 at the Friedman JCC, 613 S.J. Strauss Ln, Kingston, PA 18704

Dear Friend of Dinners for Kids,

This year, Dinners for Kids proudly celebrates a remarkable milestone—15 years of nourishing children, supporting families, and strengthening our community through the power of a simple meal.

Our 15th Anniversary Celebration, themed “**A Crystal Harvest: 15 Years of Nourishing Futures,**” reflects the clarity of our mission and the lasting impact made possible through the generosity of supporters like you. **Like a harvest nurtured over time, the lives touched through Dinners for Kids are the result of compassion, commitment, and a community that cares deeply about its children.**

Over the past 15 years, Dinners for Kids has provided more than **700,000 nutritious meals** to children facing food insecurity throughout Luzerne County. This extraordinary achievement has been made possible through the dedication of volunteers who have contributed more than **62,000 hours** preparing, packing, and delivering meals directly to children and families in need. While Dinners for Kids has grown over the past 15 years, the need remains significant.

As part of this special evening, we will proudly present the **Jim Haggerty Service Award** to our Founding Volunteers, honoring their extraordinary commitment and 15 years of dedicated service.

This year’s celebration will also feature our **Giving Tree**, symbolizing the many individuals, businesses, foundations, and community partners whose generosity has helped children grow and thrive. Every sponsorship represents another branch of support, helping us continue to provide nutritious **meals, hope, and stability to local children 52 weeks a year.**

We invite you to become part of this special anniversary celebration through one of our sponsorship opportunities. Your investment not only supports this milestone event but also strengthens our ongoing mission to fight childhood hunger and nourish futures throughout our community.

Thank you for helping us celebrate 15 years of impact and for considering a partnership that will help ensure every child has access to the nourishment they need to learn, grow, and succeed.

With gratitude,

David Tevet
CEO and Founder

2026 Anniversary Dinner Partnership Opportunities

Each year, Dinners for Kids provides more than 75,000 nutritious meals to over 240 children across Wilkes-Barre, the West Side, and the Dallas area. Our volunteer-driven model ensures that 100% of every dollar donated goes directly to preparing and delivering meals—there are no administrative salaries or overhead costs. Every gift helps put a nutritious meal in the hands of a child who needs it most.

As we celebrate "A Crystal Harvest: 15 Years of Nourishing Futures," we also recognize that the need continues. Your sponsorship honors 15 years of impact while helping ensure local children continue to receive nutritious meals 52 weeks a year.

Together, we can continue nourishing futures—one meal, one child, and one act of generosity at a time.
